5. Does the applicant agree to maintain the above identified volumes of base flow and annual discharge to the stream for the duration of the permit? ☐ Yes ☐ No

SUPPORTING EVIDENCE

Check the following items that have been included with this submittal. All items **must** be submitted prior to receiving a determination by the Department on this request.

- ☐ Evidence that the facility will benefit the groundwater basin as a whole.
- ☐ Evidence of the annual quantity of water to be discharged that will be consumptively used by the park/monument and the annual quantity of water that will be eligible for long-term storage credits.
- ☐ A description of the national park, national monument or state park and how it will benefit from the facility.
- ☐ Evidence that the water could have been used or disposed of by the storer by means other than discharging the effluent into the stream.

**I (We), _____, the applicant(s) named in this application, do hereby certify,
under the penalty of perjury, that the information contained and the statements made herein are to the best of my (our)
knowledge and belief, correct, and complete.**
